Heritage Institute of management & communication is one of the leading mass communication college in the territory of Delhi with great practical exposure in journalism field if an individual is willing to be a part of journalism then definitely don't think twice to become a part of HIMCOM.

Shaily Jagdev

Heritage Institute of Management and Communication is the leading mass media College, I have been working with this institute from past 5 years as a faculty. The institute provides high end infrastructure and facilities.

Lakshay Sharma

HIMCOM is the best mass communication institute. Main focus is on the practical knowledge of the field and the teachers are well experienced and are currently working in the field to give the best knowledge to its students.

Farzad Ahmad

Heritage Institute of Management & Communication is the best institute in Delhi to study. It has exceptionally good academic environment and culture. The cultural diversity of the students here is remarkable. Each and every student feels a sense of belongingness with it, due to its outstanding rankings.

Ravi kant Mishra

This is best institution for mass communication and journalism degree. Besides theory they focus on practical work including outdoor shooting, weekly visits to news channel studios, guest lecture from celebrities, attending cultural and political events and public opinion at public places which no any other institute bothers to.

zeyaur rahman

Blessed to be part of Heritage Institute of Management and journalism. The institute provides you such an environment that it becomes an integral part of your life. You get to explore and bring out the best in you. A great place to acquire knowledge. This Institute helps us to gain lots of practical experiences in the respective fields.

Vinkal Shukla

Heritage Institute of Management and Communication is the best media college in Delhi and NCR. They provide best infrastructure and campus facilities for media aspirants. faculties are highly qualified and experienced. they provide world class media studies. HIMCOM is a premier media institute. join HIMCOM.

Rohan Rawat

Guys best college ever for mass communication and journalism in Delhi. This college has the best faculty and it provides practical exposure in every field. I personally loved this college because it celebrates each and every festival like a family.

Chanda Yadav

Being a student of HIMCOM I am completely acknowledge with the curriculum and the faculties. All the faculty are practically trained and very helpful . One thing I would like to mentioned that it focussed on practical knowledge which is very important to every journalism and mass communication student.

Harshita Singh

Best institute ever . It's quality education and practical studies make the Institute out stand from other journalism school in India. Here you can develop your personality and skills .

Aditi priya singh

one of the Best Institute for mass communication in Delhi.All the faculties are from media industry.
Rahul makin,Anuj mishra ,Arjun Deshpremi ,pawan kumar sharma sir are some names who comes to take our class .

Aarushi kanozia

Himcom is the best journalism college in India .It's quality education and practical studies make the institute outstand from other colleges in India. It is the place where you develop the skills and personality.

Cranberry

I am proud student of HIMCOM and Communication! Of Bachelor's in mass communication and journalism. And I am glad to say that I am a media aspirant now. I am having best practical exposure and opportunities here, that helping me for my better experience and skills. I would like to thank himcom for giving me this golden chance to be part of them! join us for best education and practical exposure.

Anamika Gupta

A wonderful institution of exploring ideas. Where one is free to exercise what is beneficial for this nation and society. A hub of innovative thoughts and necessary arguments. It gives you unmatched opportunities in both academics and co-curricular. Simply incredible college to be in!

Aashish Jha

A platform that gives you the best experience in the field of mass communication. I'm very glad to be the part of HIMCOM. Here we get lot of practical exposure which is important in this field. Himcom gives 100 percent placement. I think I had took the right decision to be the student of Heritage Institute Of Management And Communication.

Rajul

I am an author, professor, publisher, journalist and editor. I teach here since many years and know that the institute management takes pains to provide best practical exposure to the students here. Faculty is working or worked in the industry, experts from their respective fields. Ideal modern education facility to pursue an endeavour in Journalism. All the best!

Ankita Kapoor

This institute gives the best placement in the market. If I talk about my seniors, they are placed in well-known companies. Recently, our college had received the Best Campus Placement Institute of the Year awards 2017 by actress Zeenat Aman.

Inder Rawat

The placement plays an important role in the college. Here, HIMCOM gives the best placement in Delhi NCR. If I talk about my seniors, all the seniors got placement in the highly reputed channels like India News, India Today magazine, etc.

Khushboo

HIMCOM has the best chance to place your best placement in the field of mass communication and journalism. Here is a chance to place on the best news channels. Aaj tak, NDTV India. Print media is a line related to scripting in newspapers like Hindustan times, the Hindu, Amar Ujala, etc.

Nikita mishra

Many students work on national channels from our college, for example, aajtak, zee, and ndtv red FM Mirchi channle. So if you are interested to do journalism and their courses so join our college for the best placement, HIMCOM provides you with many facilities, So join this.

Neha Bhandari

I feel so blessed to be the part of Heritage institute of management and mass communication as it assured us 100% placement in our choice. If you're interested in print media then also we have the best options like Times of India, economic times and so on.

Aditi Tomar

100% placements assured in different media and radio channels for example India news, News18 India, ndtv, Dainik Bhaskar, Aajtak, Hcn news, Fm bajao, Radio Mirchi, 93.5 radio fm. Each and every student pursuing this degree gets placed with primary goal of learning.

Astha Rawat

100% students got internship and job in this field which is given by the college. Top recruiting companies are like AajTak, NDTV, ABP news jantantra, india news etc. 100% students get placed in this course.

Pratik Chordiya

If you are skilled and capable enough, then you can get placed. The college just provides the job opportunities. The management has made many promises, but we have to look what happens in the future. Big media houses were waiting to provide internships opportunities to the students.

Piyush kumar

P

Our college has a vital and effective role in placement. Our college has also placed interns as well as jobs on news channels like Aaj Tak, news India, and ndtv 18. If you are interested in print media lines like scripting so you have also a better option for Hindustan times, Amar Ujala, and The Hindu.

Ishika

I

Almost 100 percent of students were placed in our course the highest package offered in our college they provide all facilities 100 percent of students got internships from our course anchoring editing scriptwriters. College is the best college for placement so join it.

Jatin

J

Placements in many news channels like Aajtak, ABP, India tv, etc., and many radio channels like 98.3, and 93.5 are done on our campus. I'm still pursuing the journalism course, and I hope to get better placements. I believe that college management will help us for a better future.

Tushar goyal

T

If you want to be a journalist and want a life full of pride in media industry join HIMCOM, as it provides the best practical knowledge and facilities. It also provides internships and arranges visits to well-known media houses like India news, Aaj Tak, News Nation and many more.

Shubhangi

All faculties are very freindly and experienced. We are having a good level of practical exposures after every the-oretical class. Every week we are having two industrial visits.

Kanika verma

As part of the admission process i had to take an enter-ance on aptitude test. The exam was compihensive and ensuring that candidates were tested the question were fair and allowed applications to showcase their abilities ef-fectively .

Ankit

The placement of our college is very good and students become eligible after fifth semester. The company's we have visited are news 18 , news nation, Bharat 24, and no of offers made 8 The highest package is 30,000 and the average package is 22,000 .
